Github: <https://github.com/ziadayman6>

EXPERIENCE

(Sep 2022 – May 2023)

Devology Participant at SCCI

I was a Web Development participant, attending sessions, working on various projects with other members and participants.

I won 3 competitions in SCCI, first one was the mid-year competition and the second was the academic competition, and the last one was the conference and our project won it.

Our main scope was Front-end Development.

(Oct 2023 – May 2024)

Devology AC member (Instructor) at SCCI

I was a Web Development instructor, teaching, planning content, create PowerPoint for sessions, working with other members and participants. And I achieve the best instructor in the season.

PROJECTS

(Security System Company Website)

It's the project that we won the conference with.

I worked with my team and led them, and I made the design of the website and the CSS and extra features.

(Human Resources System Website)

It's a project in my college and I got a full mark.
